Members of the \_\_\_\_\_ Fire Department,

Would you like to be more involved in the Arizona Fire Service? Would you be interested in helping fire departments and families recover from a line-of-duty-death (LODD)? Are you interested in representing the Arizona Fire Chief's Association and the National Fallen Firefighter's Foundation? If you answered "yes" to these questions then you might be interested in joining the Arizona Local Assistance State Team or L.A.S.T.

The AZ LAST was established in 2006 by the National Fallen Firefighter's Foundation with the primary purpose of supporting the fire departments and surviving family members of Arizona's fallen firefighters. Today, the team is also supported by the Arizona Fire Chief's Association.

The AZ LAST is comprised of fire service professionals like you. Members come from all ranks and backgrounds including: firefighters; Company and Chief Officers; administrative, CISM, and legal professionals; even LODD survivors. The broad diversity of the team enables us to better serve the needs of those who have suffered the tragic loss of a firefighter.

The AZ LAST is currently seeking new members to join our team. We're looking for talented, energetic, capable professionals interested in serving and supporting Arizona's fallen firefighters. For more information, please contact me by email or at 480.682.7763. You can also view a short video about our team by following this link: <http://www.youtube.com/watch?v=cRVMTV8SROI>
