

Northeastern AZ Safety Officer (NEASO) Meeting Notes  
February 17, 2010 - 1000 hrs.  
Lakeside Fire Department

Members Present: Stuart Bishop, Brian Tate, Justin Fellows, Thad Webb, Clint Burden, Don Fisher, Tony Cantarella, Shawn Simpson, Bryan Savage, Rob Watson, Clay Wood, Ed Lindquist, Tim VanScoter

Items Discussed:

- Stuart gave an overview on the roof collapse of Station 120
- Brian gave an overview on his air management policy and it was discussed to use this for the March MCS safety training as requested by the NAITC
- Tim discussed the NAFCA Fire ground Accountability Policy that was adapted in December. Discussion was held regarding the PASS system being used by Phoenix Fire and what our recommendations should be made to the Chiefs group (NAFCA). Also discussed the possibilities of placing reflective letters on the SCBA airpacks and/or helmets to identify Resource Units.
- Discussed the training website provided by Phoenix Fire and watched a training video on the "Hot Wok Roof Collapse". We discussed as a group what a resource that could be for us locally if we could do something like that for our group. Don said he was working on something with NPC to see if they could host it and how each of us could access it. Discussion was also held regarding that maybe one of the local departments could just add another webpage to the website.
- Stuart advised the group that he was one of the new State Advocates for the "Courage to Be Safe" program. Discussion was held on ways to better implement the program in the White Mountain area. Clay stated he presented the CTBS 4 hour program to 33 new FF1 & 2 students and he was amazed of how many students had never heard of the program.
- Mtg. concluded at 1200 hrs.

Next meeting scheduled for Tuesday, April 13<sup>th</sup>, 0900 hrs at Lakeside Fire Station 210 – See you there!
